Special Called Meeting to discuss the 3+2 Programs

GPC Reports: N/A

Old Business: N/A

New Business:

3+2 Programs- received email from Chair Dr. Scott Hunt explaining the potential programs. Students in the accelerated 3+2 programs would have to apply and be admitted to the Graduate School and our MS C&CJ program. Those students would take our graduate level theory, methods, and stats courses and earn credit for their undergraduate degrees as well as their MS C&CJ degree.

Grad Committee members approved the recommendation to move forward with what was presented. I have emailed Dr. Scott Hunt to let him know.
