Special Called Meeting to discuss the Fall 2021 Graduate Schedule

GPC Reports: N/A

New Business:

Reviewed the preference sheets from faculty to determine what courses should be offered for Fall 2021.

Following the normal outline, Core courses are CRJ 800 and CRJ 888, along with Thesis II CRJ 899.

After reviewing preference sheets for electives submitted. The Committee approached the selection of offering 3 electives. Those 3 were chosen because no student had taken any of the courses previously. I had shared with the Committee that we have 2 Graduate Students that need to take all 3 electives in the fall in order to stay on track to graduate. The Committee decided against electives that those 2 students had already taken. Also, we have 1 graduate student that needs to retake Juvenile Justice to bring her grade up, so that was considered as well for choosing electives.

Fall Schedule 2021 will be:

CRJ 800 Judah Schept

CRJ 888 Kristie Blevins

CRJ 899 Thesis II Victoria Collins

CRJ 829 Juvenile Justice

CRJ 890 Green Criminology

CRJ 890 Women, Crime, and Criminal Justice

Those on the Zoom:

Dr. Kristie Blevins

Dr. Judah Schept

Dr. Bill McClanahan

Dr. John Brent
